Quality Policy

NeoNavia AB enhances diagnostic accuracy and safety through minimally invasive procedures in Cancer Management. We achieve customer satisfaction through close cooperation with physicians and patients, translating their needs into reliable and innovative products.

The management of NeoNavia is committed to keep the team motivated and to promote and maintain high ethics and a strong quality culture throughout the organization. We implement effective processes that continuously improve to ensure our products meet customer expectations.

We achieve our objectives by ensuring the effectiveness of the Quality Management System and are operating in compliance with international laws, standards and regulations.
